

## Welcome to CountryClubuk

CountryClubuk is a unique Members' Club for people who want to enjoy the finer things in life more often. Our Members visit their private London Clubs without paying the usual fees; have best seats at the theatre; enjoy VIP status at The Ritz; fly to their exclusive Club in the Caribbean; luxuriate in a suite overlooking the Grand Canal in Venice; and book their hotels and clubs in London, the country, and the world, all at exclusive and preferential rates ...

For instance, in the coming weeks our Members will join us at the House of Lords for our CountryClubuk Champagne Reception. They will take advantage of exclusive flyfishing parties on salmon rivers in Scotland and abroad. They will join us at Guards Polo Club in the presence of HM The Queen. They will reserve their tickets for Cheltenham and Royal Ascot, Henley and Wimbledon, Twickenham and Augusta, Lord's and Guards Polo. And they will buy fine claret, tailoring, fashion, jewels and sporting kit at exclusive preferential prices.

CountryClubuk makes a real difference to its Members' lives. First, we fire the imagination with intriguing ideas. Then we make attaining them a simple matter of a single telephone call to CountryClubuk.
