WELCOME

Membership of CountryClubuk brings an extraordinary range of benefits. Many are worth a great deal of money, but, besides the monetary advantages, membership brings enjoyment of a constantly refreshing collection of services, privileges, indulgences and practical help which we hope will make an important difference to members' lives. Some of our most recent arrangements appear in this issue of your magazine. Many more are being arranged constantly. To experience anything you see in this magazine, and to find new offers and services, all you have to do is call one number, 020 7291 8600, or visit the Club website (www.countryclubuk.com), and we do the rest.

If you are already a member, welcome to the new issue; we look forward to being of service to you. Not yet a member? The annual fee is just £79: you can save that and more through just one offer (eg a night's hotel stay). Turn to p162 to subscribe, or call Member Services on 020 7291 8600 for instant enrolment.
